BIG IDEAS

for the **smalls**

produced by CARISHA SWANSON room photography by JOHN BESSLER, JOHN GRUEN + HULYA KOLABAS

We've noticed a major trend, **children's rooms are growing up**, with spaces that are sophisticated, playful and packed with personality. So we decided to scour the market and discovered **25+ super cool, ultra-modern, kid-friendly pieces** and **six seriously stylish rooms** to inspire your inner child.

BIG IDEAS for the smalls

why we

S.B. Long Interiors used a playful combination of graphics and textures, like the boldly striped roman shade, wide-striped chevron rug, and recycled newspaper on the accent wall to create a cool space that kids will love.
