

## The Last Word

"CLEAN AND FRESH DETAILS!  
IT'S TIME TO LIGHTEN UP THE  
FABRICS, LIKE IN DRAPERY AND  
BEDDING, AND IT'S A GREAT TIME  
TO BRING IN MORE NATURAL  
MATERIALS AND MOTIFS, LIKE A  
WOVEN REED CHAIR OR A FRESH  
GRASSCLOTH ON THE WALLS WITH  
A CRISP, GRAPHIC PATTERN."

Beth Dotolo,  
PULP DESIGN STUDIOS

"Open windows,  
lighter-weight bedding,  
Trapp 'Mediterranean  
Fig' candles, and bud  
vases on nightstands."

Janelle Burns, MAESTRI STUDIO

"LOS POBLANOS

BOTTLED STRAIGHT

"Ina Garten's

Shay Geyer,

"Green, green,  
and green—the  
bright, fresh  
greens of the trees  
and grasses.  
One of my  
favorite colors is  
Benjamin Moore  
Landscape 430.  
I love it mixed  
with any pink."

always find amazing,  
one-of-a-kind pieces for  
clients as well as for my  
own home."
